

ASSIGNMENT-4

DISTANCE DETECTION USING ULTRASONIC SENSOR

| | |
|---------------------|------------------|
| Date | 22 October 2022 |
| Team ID | PNT2022TMID11029 |
| Name | Manoj P |
| Student Roll Number | 811519106079 |
| Maximum Marks | 2 Marks |

Question1:

Write code and connections in work for ultrasonic sensor. Whenever distance is less than 100 cms send "alert" to ibm cloud and display in device recent events.

Data send to the IBM cloud device when the object is far

| Event | Value | Format | Last Received |
|-------|-----------------------------------|--------|-------------------|
| Data | {"distance":141.21,"object":"No"} | json | a few seconds ago |
| Data | {"distance":141.21,"object":"No"} | json | a few seconds ago |
| Data | {"distance":141.21,"object":"No"} | json | a few seconds ago |
| Data | {"distance":141.18,"object":"No"} | json | a few seconds ago |
| Data | {"distance":141.2,"object":"No"} | json | a few seconds ago |

when object is near to the ultrasonic sensor

Data sent to the IBM Cloud Device when the object is near

The screenshot shows the IBM Cloud Device view for the 'DISTANCEDETECT' device. The top navigation bar includes 'Browse', 'Action', 'Device Types', 'Interfaces', and an 'Add Device' button. The main area has tabs for 'Identity', 'Device Information', 'Recent Events' (which is selected), 'State', and 'Logs'. A message states: 'The recent events listed show the live stream of data that is coming and going from this device.' Below this, a table lists recent events:

| Event | Value | Format | Last Received |
|-------|------------------------------------|--------|-------------------|
| Data | {"distance":79.66,"object":"Near"} | json | a few seconds ago |
| Data | {"distance":79.64,"object":"Near"} | json | a few seconds ago |
| Data | {"distance":79.66,"object":"Near"} | json | a few seconds ago |
| Data | {"distance":79.64,"object":"Near"} | json | a few seconds ago |
| Data | {"distance":79.66,"object":"Near"} | json | a few seconds ago |

At the bottom, there are pagination controls: 'Items per page 50' and '1 of 1 page'.
