Project Name	Project - IoT Based Smart Crop Protection System for Agriculture
Team Members	S.Manoj, P.Manoj, G.Muthu Kumaran, M.MohammedOlibava

IBM-CLOUD ACCOUNT CREATION:

The screenshot shows the IBM Cloud Account settings interface. On the left, a sidebar lists account resources like Resource groups, Cloud Foundry orgs, and Licenses and entitlements. The main area displays account settings, resource groups, and various management tools. A context menu is open for the user 'Manoj P' in the top right, showing options such as Profile, Log in to CLI and API, Privacy, Change theme, and Log out.

The screenshot shows the IBM Cloud Dashboard for Muthu Kumaran G. It features a 'For you' section with cards for 'Build', 'Watson Studio', 'Watson IoT Platform', and 'Virtual Private Cloud'. Below this are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' (a world map). A context menu is open for the user 'Muthu Kumaran G' in the top right, similar to the one in the previous screenshot.

The screenshot shows the IBM Cloud Account interface. The left sidebar is titled "IBM Cloud" and has a "Account" section selected. Other options in the sidebar include "Account resources", "Resource groups", "Cloud Foundry orgs", "Licenses and entitlements", "Tags", "Dashboards", "Account settings", "IBM Cloud Shell settings", "Notification distribution list", "Classic infrastructure", "Subscriptions", "Audit log", and "Company information". The main content area is titled "Account" and contains several sections: "Account settings" (with a gear icon), "Resource groups" (with a user icon), "Cloud Foundry orgs" (with a person icon), "Licenses and entitlements" (with a lock icon), "Tags" (with a tag icon), "Dashboards" (with a bar chart icon), "Audit log" (with a document icon), and "Company information" (with a company icon). A search bar at the top says "Search resources and products...". At the top right, there is a user profile for "Mohammedolibava.M" with options like "Profile", "Log in to CLI and API", "Privacy", "Change theme", and "Log out". The bottom of the screen shows the Windows taskbar with various pinned icons and system status information.
